V HISTORY OF GREECE AND ROME

(The larger histories of Greece give the sources, usually very minutely. The histories of Rome, especially those of Mommsen, are deficient in this; for the debatable period of the close of the Republic the only satisfactory statement of sources is to be found in Gudeman's Sources of Plutarch's Life of Cicero, which contains a partial source commentary. Convenient brief lists of sources will be found in Swoboda's Greek History and Koch's Roman History, Temple Cyclopaedic Primer Series. M. 1899, \$.40 each).

NEW YORK LATIN CLUB: GREEK SCHOLARSHIP FUND

The recent performance of the musical play *Galatea* at the College of the City of New York added \$434 to the Greek Scholarship Fund of The New York Latin Club. The Committee hereby thanks the President and Trustees of the College for the use of the Great Hall, and all persons who assisted in the local arrangements, especially Professor Allan P. Ball, who acted as Treasurer for the Committee and whose efficient business management secured

financial success. It thanks the members of Erasmus Hall High School for the artistic production of Mr. Harter's play which furnished the evening's entertainment, and the patrons who generously supported the undertaking.

That the fund, which now amounts to \$938, may soon grow to the desired sum of \$5000, the Committee asks every lover of classical studies to assist it with suggestions for raising the money, as well as with contributions.

ANNA P. MACVAY, Wadleigh High School.

CARROLL N. BROWN, College of the City of New York.

EUGENE W. HARTER, Erasmus Hall High School.

MAX RADEN, Newtown High School.
